+ 10.00h - The New EU Vision for the European Space Economy

+ 10.15h - New Players in Space: Their Contributions and Responsibilities

+ 10.45h - Coffee Networking

+ 11.15h - Constellations of Intelligence: Space Infrastructure as the Next Digital Frontier

+ 11.45h - ESA Strategy 2040: Shaping Europe's Role in the Future of Space

+ 12.00h - Secure Communications: Unlocking Economic Opportunities in Space

+ 12.15h - Unlocking D2D Potential: Connectivity without Barriers

+ 13.00h - Closing: Tech Morning

+ 13.00h - Lunch (VIP)

BUSINESS AFTERNOON

+ 15.00h - Bridging Orbits: Insights into the Space Ecosystems of Asia, Europe, and America

SIDE EVENTS – WORKSHOPS

SPACE WORKSHOPS 1 (Saló de Neptú – Ground Floor)

- + 15.30h - Closing the Skills Gap: The Future Workforce of the Space Economy
- + 16.10h - Innovate, Compete, Coexist: The Future of European Access to Space
- + 16.50h - Green Shift: Rethinking Sustainability in the New Space Sector
- + 17.30h - Commercialisation: exploring the potential of Tech Transfer

SPACE WORKSHOPS 2 (Saló de Plens – 1st Floor)

- + 15.30h - From Apollo to Artemis: A Conversation on Space Exploration's Past and Future
- + 16.10h - International Legal Cooperation in the New Space Economy: A practical approach
- + 16.50h - DEMO - Advancing in Space and Safety: Innovative Solutions for Emergency Response

MEET THE ECOSYSTEM: PITCH STAGE (Saló de Cònsols – 2nd Floor)

- + 15.45h - Building the Space Ecosystem: Cooperation & Alliances
- + 16.25h - Shaping the Future of Navigation: Accuracy, Resilience and Sovereignty
- + 16.45h - Propulsion: Powering the Future of Spaceflight
- + 17.05h - Smart Satellites: The Future of Space Operations
- + 17.45h - From Orbit to Earth: Harnessing Space Technologies for Industry and Sustainability
- + 18.45h - Casual afterwork: Jazz & Corporate Networking

July 4th, 2025

INSPIRATIONAL MORNING

Saló de Cònsols – 2nd Floor

— 09.15h - Welcome

- Alba Badia, President at Cosmic Research
- Clàudia Soriano, Astrophysics Researcher at ICE-CSIC

+ 9.30h - New Space in Action: Harnessing Satellite Technology for Everyday Applications

+ 10.00h - The Future of Cities: Transforming Urban Development with Space Innovations

+ 10.45h - Coffee Networking

+ 11.15h - Building the Agenda for Tomorrow: Unlocking New Space Technologies for Societal Challenges

+ 12.00h - Disaster Prevention and Mitigation: Space Technologies for Integrated Emergency Response

+ 12.45h - Beyond Earth: Leadership, Innovation and Sustainability from Space

+ 13.30h - Institutional Closing

+ 13.45h - Farewell drink

Event data

- La Llotja de Mar, Barcelona
- July 3rd at 9.00am
- July 4th at 9.00am
