

## Associated Partner Declaration

### MED PROGRAMME

Institution - EGCT Pyrenees Mediterranean Euroregion

Based in Perpignan - France

Represented by Mr Xavier Bernard-Sans - General Manager

Herewith declares to support the project Renewable Energy Community – Second Generation 2019 -2022 – ABSTRACT

I herewith declare that my institution supports the general aim of the project as described in the application form. My institution shall contribute as an observer in this project in the following way: **Participation at the LOBBY COMMITTEE supporting the liaising and mainstreaming processes of the project.** And is particularly committed/ interested in the following activities (related Work Package/ Activity):

**WP5 Capitalisation. Activities: 5.2 Lobby and Advocacy Plan / 5.3 Mainstreaming Process/ 5.4 Strategic Liaising.**

On behalf of the institution, I acknowledge that as an Associated Partner it is not permitted to establish any form of commercial or contractual relationship with one or several project partners, nor engage in subcontracting, for the duration of the aforementioned project and until completion of its activities. Also to respect the confidentiality and authority of the information and documentation treated in the framework of the Renewable Energy Project, and consent of the partnership.

The institution will contribute through its own resources with an amount of (optional): Associated Partner.
